

Teaching kids how to think, not what to think

October 4th, 2013

9am-noon

OK Project Learning Tree Facilitator Training

Did you love your PLT workshop? Are you Looking for more ways to be involved with Project Learning Tree? Then OK PLT wants you to attend our Facilitator Training Workshop! This workshop will prepare new facilitators to use PLT curriculum to facilitate workshops themselves as needed, choosing and adapting activities to fit their programs and the audiences they serve.

Why become a facilitator?

- Receive valuable resources and training
- Advance your career by enhancing your resume/skill set and building your professional network
- Contribute to the environmental literacy of our future leaders!

To register for the training click here!
